⋮ The Gift

This past year 486 babies have been saved from death at the three abortion mills in Charlotte. This has been the result of gentle Christians living out their faith at these three manifestations of the “gates of hell.” Thousands of children have been sacrificed here. We Christians have ignored and despised our birthright. We have not pleaded the case of the fatherless to win it. We have ignored and despised God's gift – His preborn children.

But we have a promise. The gates of hell cannot prevail against the Church of Jesus Christ. God gave us His inexpressible gift “Jesus,” and we crucified Him on a cross. It was our sin that nailed Him there. God gave us His best (the forgiveness of sins) and we gave Him our worst. Now, we are doing it again to His children.

What we have done *to the least of these* (preborn children) we have done to Him. We are humbly asking you to help us to be a voice for these children this upcoming year. When the theology of the church house becomes biography in the streets; when the Word of God becomes flesh at the “gates of hell” – the gates cannot prevail. We don't have to wait for the Republican Party, the President, the Supreme Court, or the Congress to get it right. God is looking for us to be His gift to rescue those being led away to slaughter. He will take care of the rest.

Do you see what I see? Do you hear what I hear? Do you know what I know? A gift has been given, but only those who have eyes to see – SEE! Only those who have ears to hear – HEAR!

Abortion will come to an end in the city of Charlotte when the Church of Jesus Christ makes up her mind it will come to an end, and not one second sooner.
