

The National Emancipation Proclamation For the Unborn

We, the pastors, elders, and citizens of the United States of America, do hereby declare on this 1st day of January, in the year of our Lord 2002, that all children, from conception forward, are human beings. They are endowed by their Creator with certain unalienable rights, and that among these are life, liberty, and the pursuit of happiness.

In regard to these children, our government has been in rebellion against the Law of Almighty God since January 22, 1973. Our Supreme Court of the United States of America, declared that children in their mother's womb were not fully human and therefore were not entitled to the full protection of the laws of our land. Because of this open rebellion and blatant disregard for the Law of God and for life, our nation is suffering under the remedial judgments of God Himself. Blood is coursing down the corridors of our schools, work places, and streets. Because we have not hated bloodshed, bloodshed is now pursuing us (Ezekiel 35:6).

We the pastors, elders, and citizens of America, do hereby this day hold the Supreme Court of the United States in contempt of the Court of Almighty God. We hold it in contempt of the lives of the children it was sworn to protect. We hold it in contempt of the Court before whom every knee shall bow and every tongue confess that Jesus Christ is Lord.

By virtue of the power and authority vested in us as pastors and elders of the Church of Jesus Christ, we declare that the lives of all children (born and unborn) are sacred to God and worthy of defense. We with one voice decree, the unborn child shall now and forevermore be set free to live in America. They shall be welcomed in life and protected by law. Upon this act, sincerely believed to be an act of justice, warranted by the Constitution, we invoke the considerate judgment of mankind and the gracious favor of Almighty God.

We enjoin our brothers and sisters in America to join us in this noble endeavor to speak for those children who cannot speak for themselves.

Done in the United States of America, this 1st day of January, in the year of our Lord, 2002.
