

CAN YOU SEE JESUS CRY?

You are God's chosen... You hear the call of God on your life.

You have taken **your time** and come together with other men to lift up the name of Jesus.

If you **WANT** to do more after today, if you **CAN** do more, if you want to put your **PROMISE** into action and **"STORM the Gates of Hell,"** continue to read...

There is a living HELL, a modern day Auschwitz, right across the river in Granite City, IL... even now killing 30 to 50 children Tuesday through Saturday! This place is called "Hope Clinic for Women" which is nothing more than the ancient altar to the god MOLECH (Jer. 32:34-36) where babies were sacrificed alive! Today, babies (at this clinic) are ripped apart- alive, then flushed down the sewer or the parts sold to laboratories for experimentation!

Can you see our Lord Jesus CRY??

This clinic specializes in **partial-birth abortion!** The babies are born alive, feet first, and then killed, a two - three day procedure.

* Babies are killed **up to 9 months!**

* **No parental consent** is necessary in IL - so most of the cars are from Missouri!! That is why people come from the surrounding 6 or 7 states to slaughter their children!

* **No waiting period** like in Missouri.

What can you do? Just like today, take your time and go to the "gates of hell." Be a voice for the voiceless...a father to the fatherless.

Abortion is a man's issue

MEN need to stand in the prophetic role to send a message to the community against evil. Men need to tell other men it is wrong to impregnate these women out of wedlock and it is wrong to bring women to the killing center to terminate the lives of their children. Men must stand for righteousness in their families, in their communities, and in their nation. If they don't our children will pay the price. If the shepherds will just call the men to the battle front and give them that vision, men will do valiantly when they are engaged in war and lay their lives down for others.

1 John 3:16 "...we ought to lay down our lives for our brothers."

You can

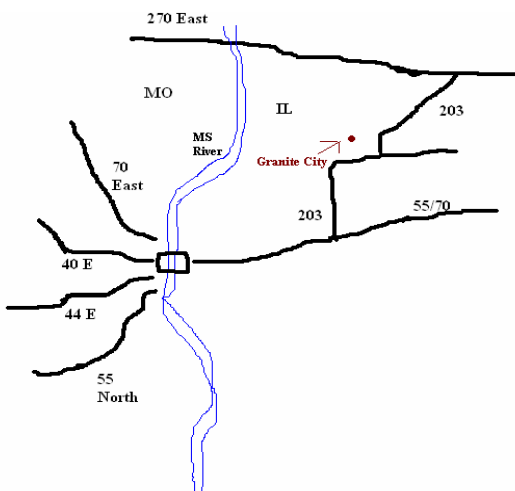

- * talk to the men & women as they walk in...
- * carry signs ... Eph 5:11-13
- * pray & intercede
- * just stand! ... Eph 6:10-13
