

**This is God's gift.**

**This is what we do to God's gift.**

Since January 22, 1973, over 60 million children have been killed by abortion in America. Over 60,000,000 precious gifts, created in the image of Almighty God, sent to bless this nation, are dead. That's right! One third of the generation 39 years old and younger has been "legally" annihilated by a Supreme Court decision called *Roe v. Wade*. God calls children a blessing – **a gift from Him (Psalm 127)**. We have called them a curse.

We have sown bloodshed in the womb (abortion) and are reaping its horrible harvest in the streets. Yes, blood is coursing down the corridors of our schools, workplaces, and streets while we look at each other in utter bewilderment wondering what has happened. Kids are killing their friends in school, teen suicides have risen exponentially, life has been cheapened – murder has become our answer for everything.

**Overpopulated?** – Kill babies!

**Getting too old?** – Kill (euthanize) the old!

**Down Syndrome?** – Kill them in the womb!

**Hold up the local 7-11?** – Kill the clerk!

**Fellow employees bothering you?** – Kill them (Go postal)!

**Friends or family hurt you?** – Kill them all!

**Feeling sorry for yourself?** – Kill yourself!

**God put it this way:** "... all who hate me love death." **Proverbs 8:36.**

When we cast God behind our back - hate him - violence and death are soon to follow. Sow violence in the womb, you will reap violence in the streets. It is the spiritual law of the harvest. When we remove God from the hearts of our kids, violence (death) always fills the void. When God was expelled from our public schools and banished from the school yard

(*Engle v. Vitale* 1962, *Abington v. Schemp* 1963), He was replaced with condoms, drugs, gangs, metal detectors, police, and violence of unprecedented order.

What can we do? Invite Him back!

He promises to come if we will call upon His Name, **"If My people who are called by My Name shall humble themselves and pray, and seek My face, and turn from their wicked ways; then I will hear from heaven, forgive their sin, and heal their land."** **2 Chronicles 7:14.**

Unfortunately, hundreds maybe thousands of God's precious children have been sacrificed right here in Jackson Hole – the home of Wyoming's last free standing abortion mill. The Church in Jackson, though it should be at war with the abortion industry, has established an awkward peace with it. Seeking to be a friend of both the world and God, it has become an enemy of the cross of Christ. Though it pleads the case of fatherless to plead it, or to raise money, it refuses to **"plead the case of the fatherless to win it."** **Jeremiah 5:28.**

God has not been silent about this. Believe it or not, He brought us here last year as a gift to you. You have a malady that is destroying you and your children. It is called – sin. We have been sent to expose this sin (abortion) that you might repent and turn to the Great Physician and find healing. Abortion destroys those who practice it and nations that approve of it. It is because God loves you, that we are back in Jackson.

But what will you do with God's gift? **"God so loved the world that he gave His only begotten Son ..."** **John 3:16.** God gave us His inexpressible gift, His only begotten Son, "Jesus," to save us from our sins. He exposed our sin so that we might be healed. It felt like condemnation. So we nailed this judgmental bigot to a cross. Who gave Him the authority to judge us? We hated Him for this, yet it was for us that He died. Jesus laid down His life for you and me. God gave us His best (the forgiveness of sins) and we gave Him our worst – the cross.

Why?

He exposed our sin in all of its ugliness. He told us the truth about ourselves. He was like a mirror confronting us with the truth of what we really were. He humiliated us with His Truth so He could save us by His grace. We were faced with a choice. We could either run to Him and be saved, or break the mirror and remain lost. We broke the mirror.

That choice will be yours this week. What will it be? Break the mirror or run to Him. There is no middle ground.

Jesus said, **"... Verily I say unto you, inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."** **Matthew 25:40.** There is no more "least of these" than a little child in his mother's womb who has no voice, no choice, no defense, unless we give him one. We nailed Jesus to the cross back then, and now we are doing it to Him again by aborting His children. We have ignored and despised God's gift – the "least of these," long enough! It is time for us to honor His gift in the city of Jackson.

**We are humbly asking you to help us to be a voice for these children this week and upcoming year.** When the theology of the church house becomes biography in the streets; when the Word of God becomes flesh at the "gates of hell" – the gates cannot prevail. The Church in Jackson Hole holds the key to making the state of Wyoming the first abortion free state in America. What she looses on earth will be loosed from heaven.

We don't have to wait for an election cycle, the President, the Supreme Court, or the Congress to get it right. God is looking for us to be His gift to rescue those being led away to slaughter. He will take care of the rest.

Do you see what I see? Do you hear what I hear? A gift has been given, but only those who have eyes to see – SEE! Only those who have ears to hear – HEAR!

"Abortion will come to an end in the city of Jackson when the Church of Jesus Christ makes up her mind it will come to an end – and not one second sooner."
