

“BUT I CANNOT AFFORD A CHILD!”

God will meet your needs. Trust Him.

“Trust in the Lord with all your heart, and lean not on your own understanding. In all your ways acknowledge Him, and He will direct your paths” Proverbs 3:5-6.

The person who gave you this tract cares about you, and we have resources available for Moms just like you who need help.

“BUT WON’T GOD FORGIVE ME ANYWAY?”

Maybe not.

In order to be forgiven, you have to “repent.” That means turn from your sin. “He that covers his sin will not prosper, but whoso confesses and forsakes them will have mercy” (Proverbs 28:13). Jesus died on the cross for you, and rose again from the dead, and extends a free pardon to you right now, but you must trust Him and repent. And you must do it today. You are not promised tomorrow.

“Behold, now is the accepted time, now is the day of salvation” (2 Corinthians 6:2). If you put it off, thinking tomorrow you’ll get forgiveness, and that day never comes, where will you spend eternity? Please, choose life for this baby, repent of your sin, and turn to Jesus while you still have the opportunity.

You can do this! No situation is so desperate that it would ever merit murdering an innocent baby. Even an unhealthy baby can be such a blessing to you or to expectant adoptive parents. **Please choose life for your baby today!**

WHAT YOU
ARE GOING
TO SEE
INSIDE THIS
LEAFLET
WILL
TROUBLE
YOU.

It may make you **angry**, or make you **sad**. It may even **haunt** you. Mercifully, it can also save you, your child, and your future horrific suffering. It is because the hard truth is too often censored, and **censored truth when suddenly revealed can be disturbing**. It is censored by those who do abortions, their accomplices, by the boyfriends and husbands who pay for it, and by the women who too often make a choice they **regret** the rest of their lives...

This is a photograph of a first trimester aborted baby. Notice the hands and feet. Look carefully at the bottom of the left foot. Look at the fingers on the right hand. The punctured ribs, the headless body...

CHOICE?

This was a **violent** choice. A **selfish** choice. An **evil** choice.

There are some choices that are wrong! You can still change your mind and keep your baby. It's not too late.

“BUT THIS BABY WILL NEGATIVELY AFFECT MY CAREER! MY RELATIONSHIPS! MY HEALTH!”

Of course there will be challenges, but look at this baby! **This could be your baby** if you go through with this. Imagine how much this child suffered! How can you do such a thing? God has given your child life.

Love this child, as you would want to be loved. “Do unto others,” said Jesus, “as you would want them to do to you.” There is much evidence that abortion can negatively affect you too. It increases your risk of preterm labor in later pregnancies, depression, suicide, and even breast cancer. (See AbortionBreastCancer.com.)

“BUT IT’S NOT A BABY YET. IT’S JUST A ‘BLOB’ OF TISSUE.”

Science has come way too far for anyone to believe this anymore!

The Bible says life begins when “conceived” (Job 3:3).

Mary was “great with child” - not a blob of tissue.

Scientifically, the baby’s heart begins to beat his or her own unique blood type, often different than yours, 21 days after conception. According to a 1986 article from the Journal of American Medical Association, an unborn child’s brain waves are measurable 40 days after conception. By all the criteria of medical science, your baby is alive!

“BUT THE BABY’S A PART OF MY BODY, AND I HAVE THE RIGHT TO DO WHAT I WANT WITH MY BODY!”

Since when does a reproductively mature woman’s body have male genitals? That little boy inside of you—or little girl—is another human being. **It’s not a part of your body.** The baby is dependent upon you for nutrition, just like an infant. Needing a mommy is not a capital crime.

“BUT I’M NOT READY TO BE A MOM.”

You already are a mom! Will you choose to be the mom of a dead baby or a living baby?

BUT IT’S MY CHOICE!”

The Holy Bible says, “I call heaven and earth to record this day against you, that I have set before you life and death, blessing and cursing: therefore choose life, that both thou and thy seed may live.” (Deuteronomy 30:19)

Don’t choose death for your baby. There’s no excuse for intentionally killing an innocent person. “Thou shalt not murder” (Sixth Commandment, Exodus 20). “No murderer has eternal life abiding in him” (1 John 3:15).
